Resume – Shristi Kayastha

Shristi Kayastha
Bhaktapur, Nepal
Email: kayasthashristi0409@gmail.com | GitHub: https://github.com/shristikayastha
Portfolio: https://www.shristikayastha.com.np

Objective

Motivated engineering student with strong interest in **Machine Learning, Natural Language Processing**. Experienced in building AI models and data-driven applications using Python and deep learning frameworks. Seeking opportunities to apply research and technical skills in real-world projects.

Education

Khwopa College of Engineering,Tribhuvan University
Bachelor in Computer Engineering
Expected Graduation: 2026

Relevant Coursework: Machine Learning, Probability and Statistics, Digital Signal Processing, Distributed Systems, Embedded Systems, Computer Network

---

Technical Skills

Languages: Python, JavaScript, SQL, HTML/CSS
AI/ML: PyTorch, Scikit-learn, NLP, Deep Learning, Speech Recognition
Tools: Git, GitHub, Flask, Google Colab, MATLAB

Projects

Nepali Speech Recognition System
Developed an Automatic Speech Recognition system that converts Nepali speech to text using a pretrained Whisper model. Implemented audio preprocessing and evaluated performance using WER and CER metrics.

Nepali Text Summarization
Built an NLP system to automatically generate summaries from Nepali text using text preprocessing and machine learning techniques.

Devanagari Handwritten Digit Recognition
Implemented a deep learning model using transfer learning (ResNet18) to recognize handwritten Devanagari digits, achieving **98% test accuracy**.

Student Performance Prediction System
Created a machine learning web application using Flask to predict student academic performance with visualization of model results.

Leadership & Certifications

Aspire Leaders Program — Aspire Institute
Completed a global leadership development program focused on leadership, personal development, and social impact. Participated in workshops on problem-solving, communication, and career planning with students from multiple countries.

Graphics Designing - Pixel Academy

Training in Adobe Illustrator, design principles, typography, and social media content creation

---

Languages

English, Nepali
